AMENDMENT AND REQUEST FOR RECONSIDERATION

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

Responsive to the Official Action dated June 18, 2002, and in conjunction with the Request for Continued Examination (RCE) submitted herewith, Applicants respectfully request reconsideration of the above-identified application in view of the following amendments and remarks.

IN THE CLAIMS

Please cancel Claims ~~21~~-28

Please add the following claims.

C¹
--29. (New) A mouse suitable as a model for atopic dermatitis, wherein the mouse is a NC/Nga mouse which has been impregnated with a mite extract under a specific pathogen free environment, such that the animal displays at least one symptom of atopic dermatitis caused by the mite extract.
